Crochet Tips

Ladies' size: Chain 141 bottom [B] portion according to schematic. Work single crochet into 121 sts evenly spaced across top [T] portion—this will result in a decrease of 20 stitches. Crochet top [T] following charts, first in pattern stitch B, then in pattern stitch C. Join shoulder seams with woven seam technique. Join sides with whipstitch. Work 1 round of edging on hem, armholes, and neckline. Crochet drawstring and thread through bodice as indicated in schematic.

Child size: Crochet with the same number of stitches and rows as for ladies' size, but use 2.3mm crochet hook. (Crochet method is the same for both sizes.)

Note: gauge may vary according to individual. In the event you do not match stated gauge with the suggested hook size, choose another hook size.
