Crochet Tips

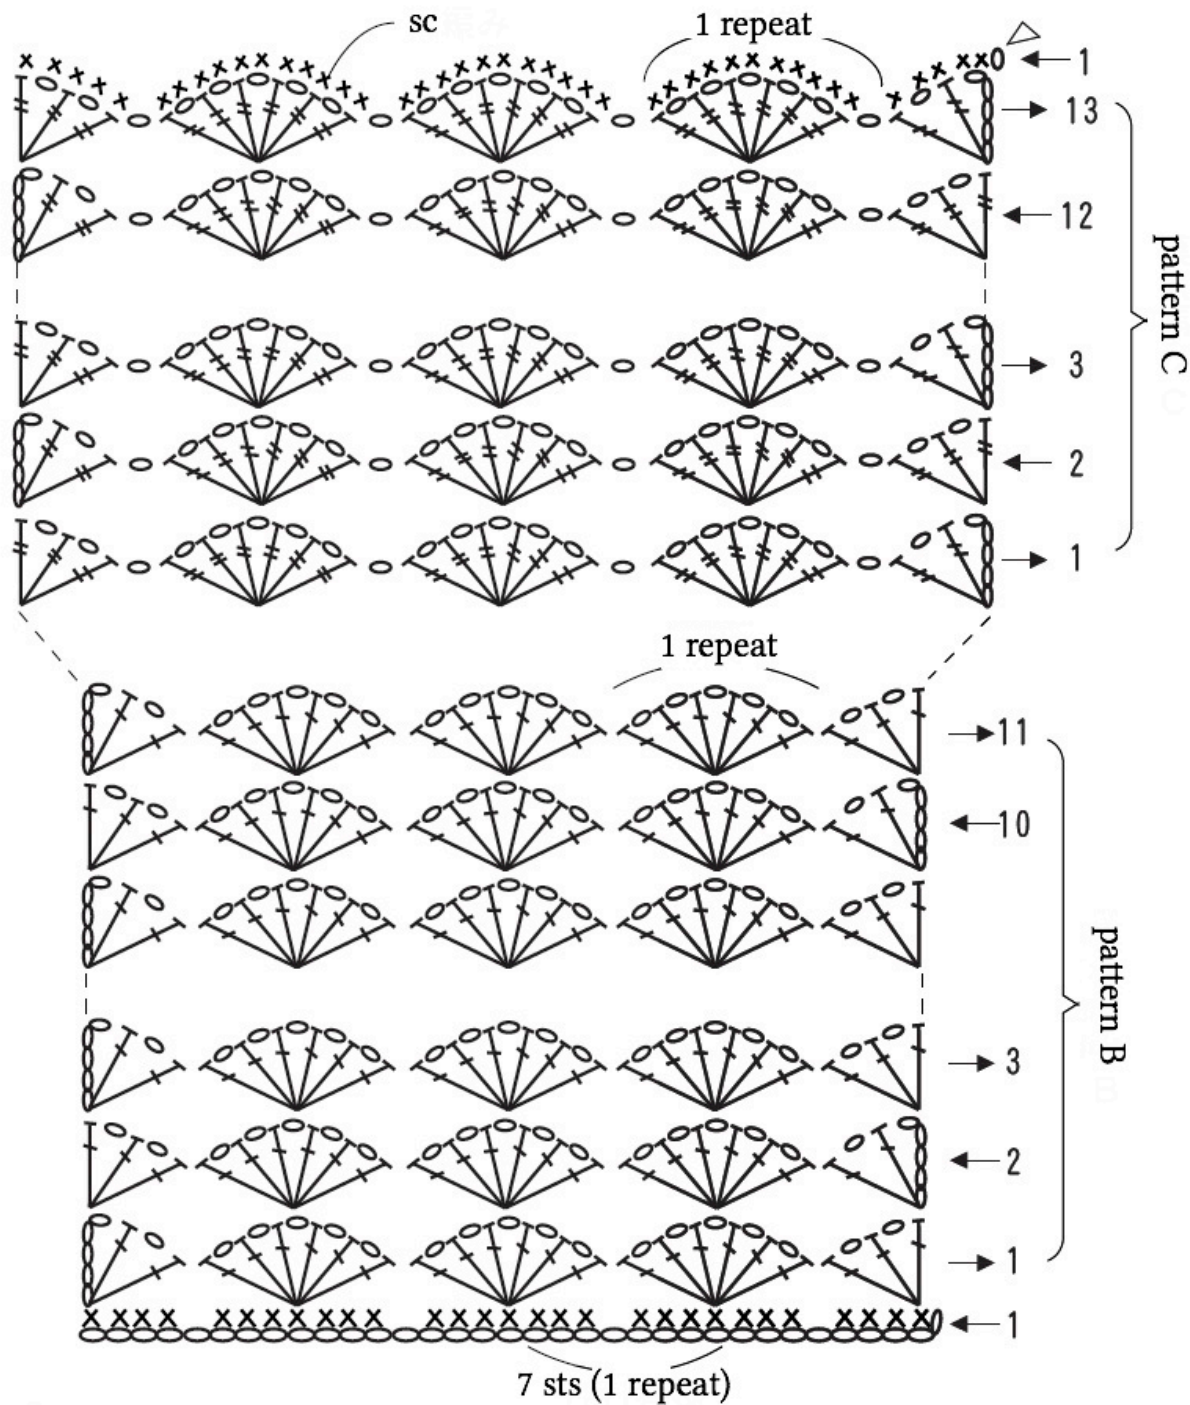

Body: ch113. Note that these 113 chains do not include any chains necessary to turn & begin row row 1 – they are *only* the chains in the foundation row. ch3 (to start row 1), work pattern A from bustline to shoulders. Starting from foundation row and working in back loops, work pattern B according to chart, then pattern C.

Finishing: Join shoulders and sides by placing pieces with right sides together and working woven seam. Work one round of edging around hem. Work edging around armholes and neckline.
