Crochet Tips

Motifs: Create magic ring and work [2-dc cluster, ch3] 8 times into ring. Work rounds 2-3 following diagram for motifs A, B, and C; change color and work round 4, resulting in diamond shape. Starting from the second motif, join motifs on round 4 as you go. Continue in this manner through motif 55. For motifs 56-66, use diagram B' and create half-circles, continuing to join as you go.

Edging: Work 1 round of edging around outer edge of stole as indicated in diagram.
