Crochet Tips

❖ **Note:** entire bag is worked with two strands of yarn held together.

Chain 51 and begin working in pattern stitch from the bottom up. Work increases at edges. Work the opposite side in the same way. When finished, align edges using symbols shown in schematic and seam sides using slip stitch. Cut lining according to schematics and sew as indicated; secure to inside of bag using blind stitch. Attach handles to bag and secure top fold (that is, the fold covering the handles) with blind stitch.
