

28-29-10 Fine Merino Triangle Shawl

© Pierrot Yarns (Gosyo Co., Ltd.). Translation by Linda Lanz.

- Pierrot Yarns Fine Merino [100% merino wool; 103 yds/94m per 1.06 oz./30g skein];
 - color #215 light terracotta; 1 skein [28g]
 - color #202 wisteria; 1 skein [25g]
 - color #220 gray; 1 skein [25g]
 - color #212 old rose; 1 skein [22g]
 - color #214 crimson; 1 skein [20g]
 - color #219 camel; 1 skein [17g]
- 3.0mm (approx. US C or D) crochet hook or size necessary to achieve gauge

Gauge

- net stitch: 4.8 pattern repeats and 11 rows = 10cm/4" square

Finished measurements

- width 61cm/24.01" • length 122cm/48.03"

Crochet Tips

Note that all terms used here follow American crochet terminology conventions.

- Crochet motifs A–D in the color combinations indicated. Work first motif A as shown in schematic; starting from second, join motifs on round 4. Make and connect motifs in order from 1 to 21 (see schematic). Make one more of motif A and save for later (to be used for tip of shawl). Next work 1 round of single crochet edging around perimeter of long strip of joined motifs. Also work one 1 row of single crochet along bottom edge of strip only.
- Work 53 pattern repeats along top edge of joined motif strip. Crochet in colors indicated, decreasing at both edges. While working row 46 (the last row), join motif A.
- Work one round of edging around outside edge of shawl.

Abbreviations: rnd = round(s); sc = single crochet

● join-as-you-go instructions

● = join by working slip st into chain st

= Join by working slip stitch into chain of
①. Join ③ by working slip stitch into base
of slip stitch of ②.

● motifs A, B, C & D

	rounds 1-2	rounds 3-4
motif A	#214 crimson	#202 wisteria
motif B	#219 camel	#215 light terracotta
motif C	#220 gray	#202 wisteria
motif D	#212 old rose	#215 light terracotta

● shawl instructions (3.0mm hook)

Note: 1-0.5-48 at the left edge refers to the rate of decrease in terms of *rows-stitches-times*: {every 1 row, decrease 0.5 stitches}; repeat {} 48 times. If you simply follow the chart and work decreases at edges as shown, you will achieve this rate automatically. It is included merely for your information.

Note: if more detail is need, please zoom in. If you find that the image is too blurry when you zoom in, please download the Japanese version of this pattern and refer to it (the charts are identical). The Japanese version will not blur even when zoomed to over 800%. (For technical reasons, that was not possible with the translation.)
