#### **Knitting Tips**

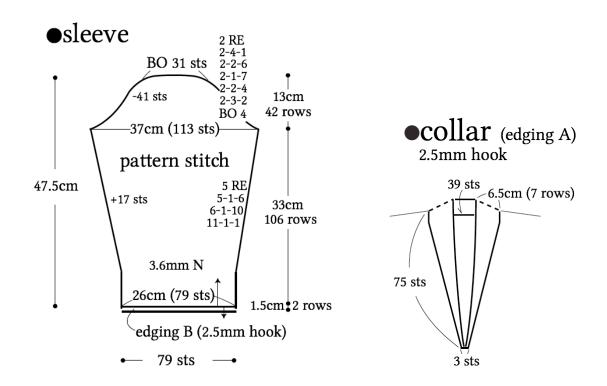

**Body and sleeves**: Cast on and knit in pattern stitch according to schematics. The waist shaping is achieved by altering gauge (changing needle size). Shape armholes and neckline by binding off stitches and decreasing (using k2tog at right edge and ssk at left edge). For sleeve increases, use lifted increase.

**Finishing**: Join shoulders with three-needle bind-off. Join sides with mattress stitch. Attach sleeves to body with slip stitch seam. Crochet edging A along neckline. Crochet edging B around hem and cuffs.

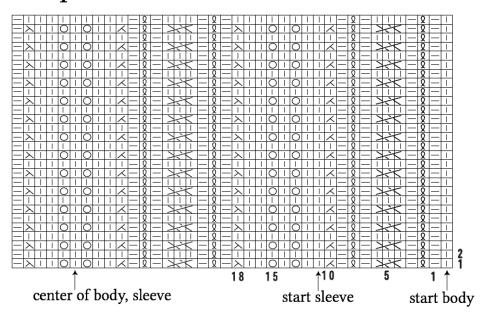

**Abbreviations**: BO = bind off; N = needles; RE = row(s) even

\* Waistline shaping is achieved by adjusting the gauge (through use of various needle sizes).
