Crochet Tips

Sole: Chain to cast on, and working into just one loop of each chain in foundation chain, single crochet (US) around rope (such that rope is hidden inside the stitches). On curve of first round, work stitches only around rope (that is, *not* into chain). When finished, cut rope diagonally, minimize difference in round heights, and join with chain stitch. Bring cast-on end of rope to wrong side, fold back, and fasten.

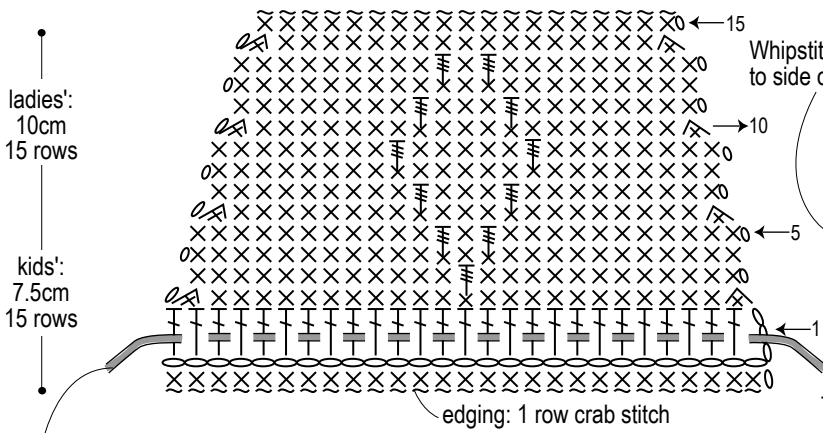

Instep: Chain to cast on and crochet in pattern stitch according to schematic. Thread decorative cord through row 1.

Finishing: Place instep above toe end of sole and whipstitch sides. Thread decorative cord from instep to back; fasten to back.

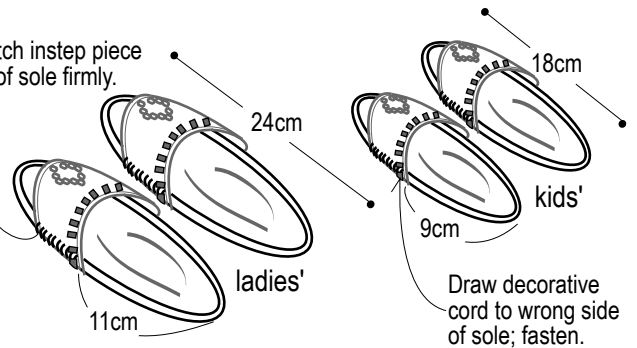

Abbreviations:

ch = chain
dc = double crochet (US)
sc = single crochet (US)
dtr = double treble crochet (US)
