Crochet Tips

Motif: Create magic ring and crochet motifs A through F, changing colors as indicated. For *each* of the 18 color combinations, make 8 motifs (for a total of 144 motifs).

Finishing: Referring to placement diagram, seam motifs together with right sides facing by working *sc, ch3* edging through both motifs. First do all horizontal seams, then go back and work vertical seams. When working vertical seams, be sure that the chain stitches of the vertical seam cross over the chain stitches in the horizontal seam (at corners). Crochet edging.

Abbreviations:

ch = chain
m = magic ring
sc = single crochet (US)
