Crochet Tips

Base: Crochet with one strand of yarn. With color A, start base piece by working magic ring. Work 6 sc stitches into center in the round (see chart). Without working a turning post, continue crocheting in the round (forming a spiral). Work 2 sc tbl stitches into each stitch. Continue until there are 80 stitches. Cut yarn.

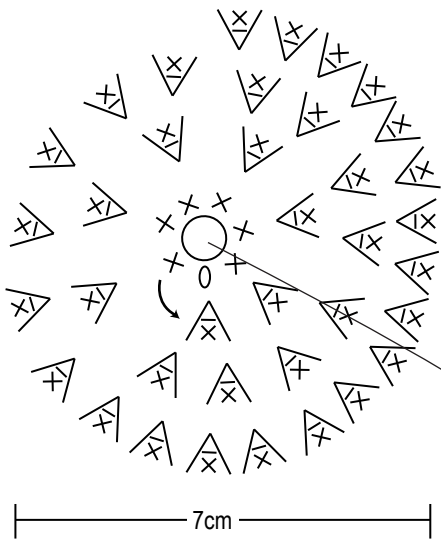

Leaf: With color B, join yarn to 80th stitch of base. Crochet 2 leaves according to chart.

Petals: Begin working sc tbl into base piece. Starting from one stitch at center of base, crochet through 80th stitch, but work beginning and as shown in chart. Other than beginning and end, work petals by working 2 dc tbl stitches into each stitch of base.

Abbreviations:

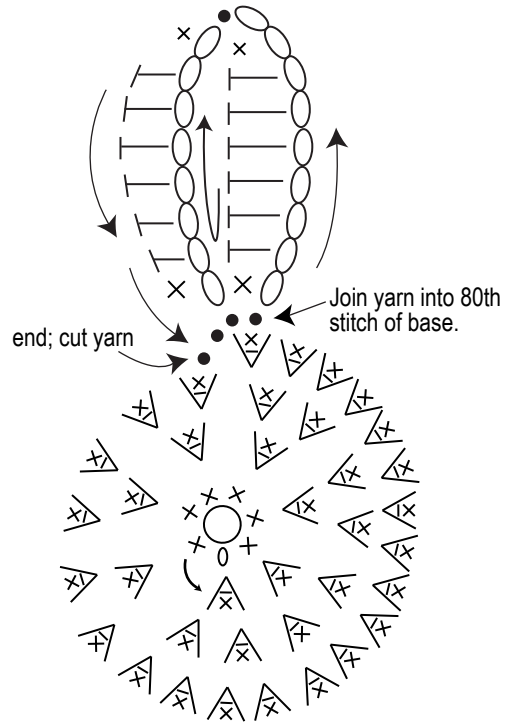

ch = chain
dc = double crochet (US)
sc = single crochet (US)
