Crochet Tips

Skirt: Begin skirt section A by working into bottom loops of chain, then working in pattern stitch A and pattern stitch B. Work sections B and C in pattern stitch A, decreasing in pattern stitch C and C', respectively, before each of these sections. Make 2 identical skirt pieces, then seam sides with chain seam.

Belt: Working stitches into edge of section C, work in pattern stitch D in the round. Continue to belt. Fold belt to inside, and tack down with whipstitch, inserting elastic as you seam.

Finishing: Work edging in the round along hem.
