Body: Affix interfacing to wrong side of fabric; sew into rectangular shape. Sew around perimeter. Turn fabric right-side out by pulling from unseamed opening; finish opening with whipstitch. Referring to schematic, embroider measurement lines and numbers. [Note that measurements shown are in centimeters. You may wish to use inches or another measurement unit; if so, take care to place lines appropriately.]

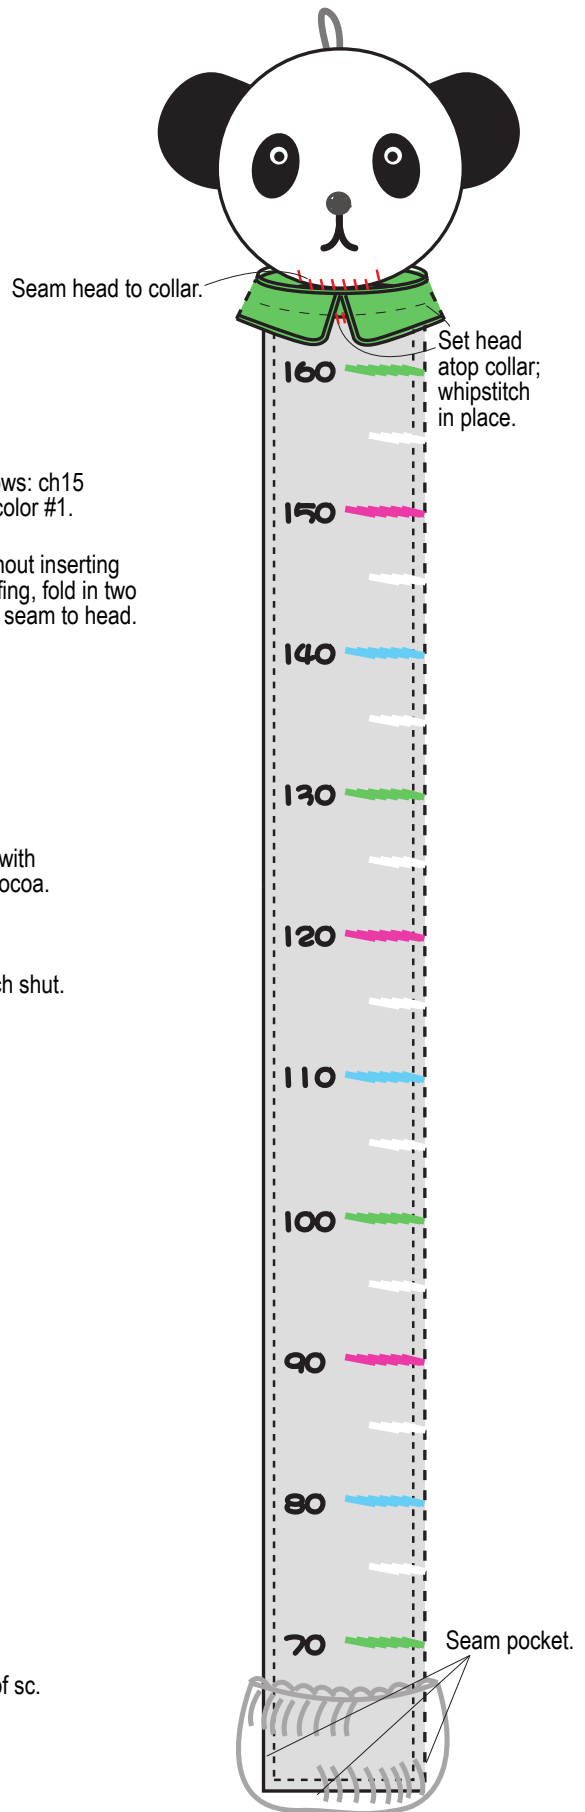

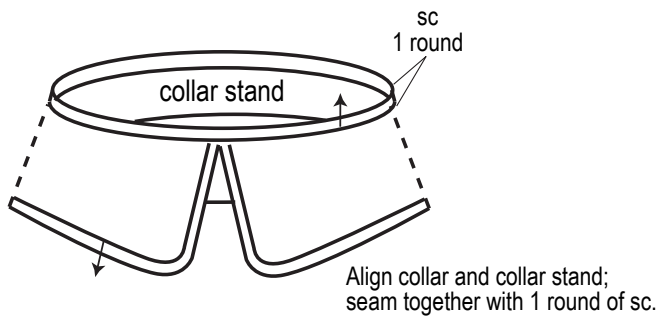

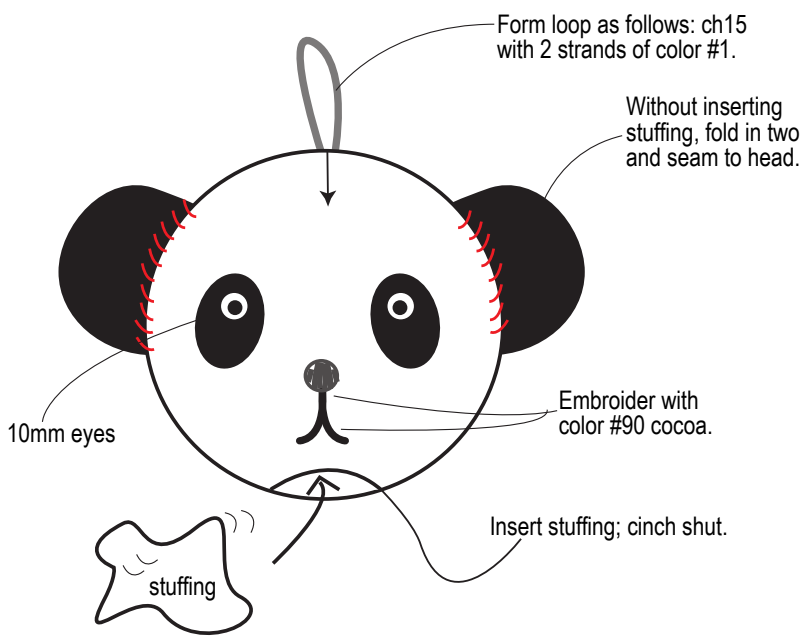

Panda head and collar; pocket: Crochet each part. Insert stuffing into head and cinch shut. Attach various parts to head.

Finishing: Crochet flower motifs and attach to clothespins. Whipstitch collar, head, and pocket to body of chart. Crochet loop at top of panda head.
