Knitting Tips

Back body: Cast on with long-tail cast-on method. Work in k2p2 ribbing, then continue in stockinette stitch, changing needle size when indicated. Shape armscye and neckline by binding off stitches where indicated and by working decreases at ends of rows.

Front body: Start as for back, but also work pattern stitch panel at front center.

Finishing: Seam sides with mattress stitch. Seam shoulders with crochet slip stitch. Pick up stitches around neckline and work collar in k2p2 ribbing. Pick up stitches along front edges and work buttonbands in k2p2 ribbing, working buttonholes in left front band only. Bind off in pattern.
