Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.

Crochet Tips

Part A: Work a chain to begin, then work in sc (US) with 2 strands held together. Wrap around earmuff frame and seam with whipstitch.

Part B: Create a magic ring to begin, then crochet 7 rounds according to chart. After slipping part B over ear piece, crochet round 8. Thread yarn through stitches on last round and cinch shut securely. Work part B with 2 strands of yarn held together (1 strand of Smarties and 1 strand of Long Chenille).

Flowers: Work a chain to begin, creating 87 stitches (note that this does not include any chain stitches needed for a turning post). Work 2 rows according to chart. Starting from beginning edge, roll into a flower shape, then sew the bottom shut.

Finishing: Assemble flowers A-D together into one piece and seam on wrong side. Seam to frame and ear piece.

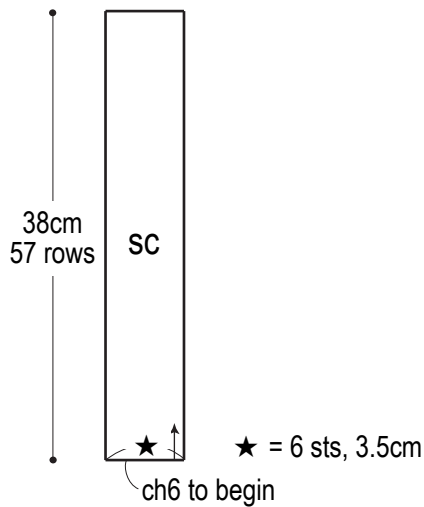

※The actual measurements of the earmuff frame piece may vary depending on its manufacture and design. Therefore, keep in mind that it may be necessary to adjust the size of the crocheted pieces to compensate for the frame size.
