Knitting Tips

Body of case: Cast on with long-tail cast-on method. Work in k1p1 ribbing, then continue in stranded pattern stitch. Refer to pattern stitch chart for color changes in the stranded knitting. Change back to k1p1 where indicated, then bind off in pattern. Work 6 stitches in k1p1 ribbing along entire length of both sides (that don't already have ribbing).

Finishing: Sew felt backing (with pockets already sewn) to wrong side of knitted fabric using sewing machine. (Alternatively, sew these pieces together by hand.) Using three strands of yarn held together (1 strand each of colors #03, #09, and #10), work a chain 80cm/31.50" long. Crochet corsage and sew to hook case together with chain cord.
