## Crochet Tips

**Body:** Work foundation chain to begin (note that number of chain stitches given does *not* include number of chain stitches needed for turning post). Changing colors every two rows, work in pattern stitch. After working row 30, continue by working 3 rounds of edging.

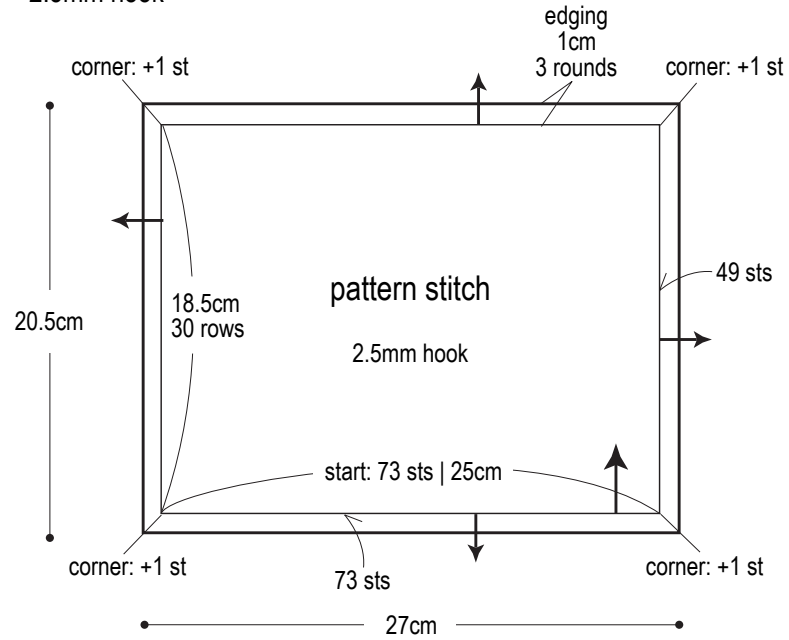

**Finishing:** Sew felt backing (with pockets already sewn) to wrong side of crochet fabric using sewing machine. (Alternatively, sew these pieces together by hand.) Using three strands of yarn held together (1 strand each of colors #06, #11, and #12), work a chain 62cm/24.41" long. Crochet corsage and sew to hook case together with chain cord.
