## Tools/Notions:

- 3.0mm (US C or D) crochet hook or size necessary to achieve gauge
- small amount polyfiber stuffing

## Finished measurements:

- length 103cm/40.55"
- width 10cm/3.94"

## Gauge (10cm/4" square):

- pattern stitch: 27 sts and 12 rows

*Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge.  
Alternatively, rework pattern with your own gauge measurements.*

## Summary

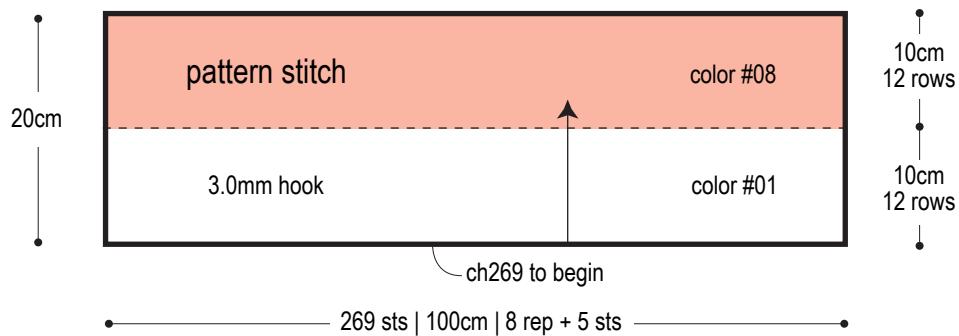

**\*Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

With color #01, ch269 for foundation chain, then work in pattern stitch for 12 rows. Change to color #08 and work 12 more rows. Seam foundation chain edge to bind-off edge with mattress stitch, resulting in a two-layer stole. Work edging at each short end, working stitches through both layers. Crochet stems and strawberries, then attach to stole where indicated.

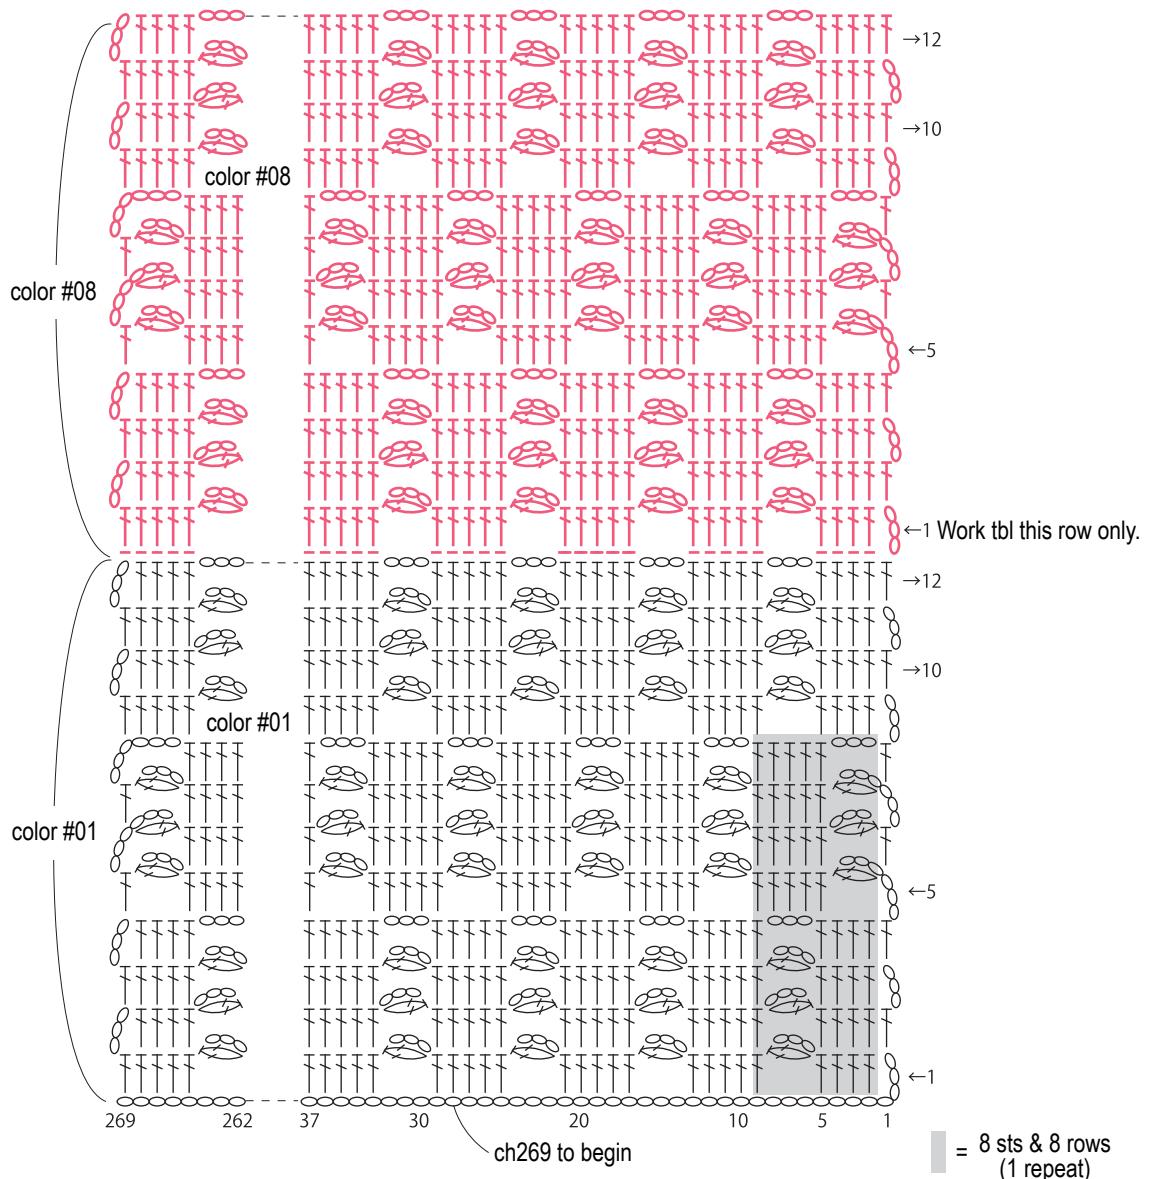

## Abbreviations:

- rep = pattern repeat(s)
- RS = right side
- sc = single crochet (US)
