Summary

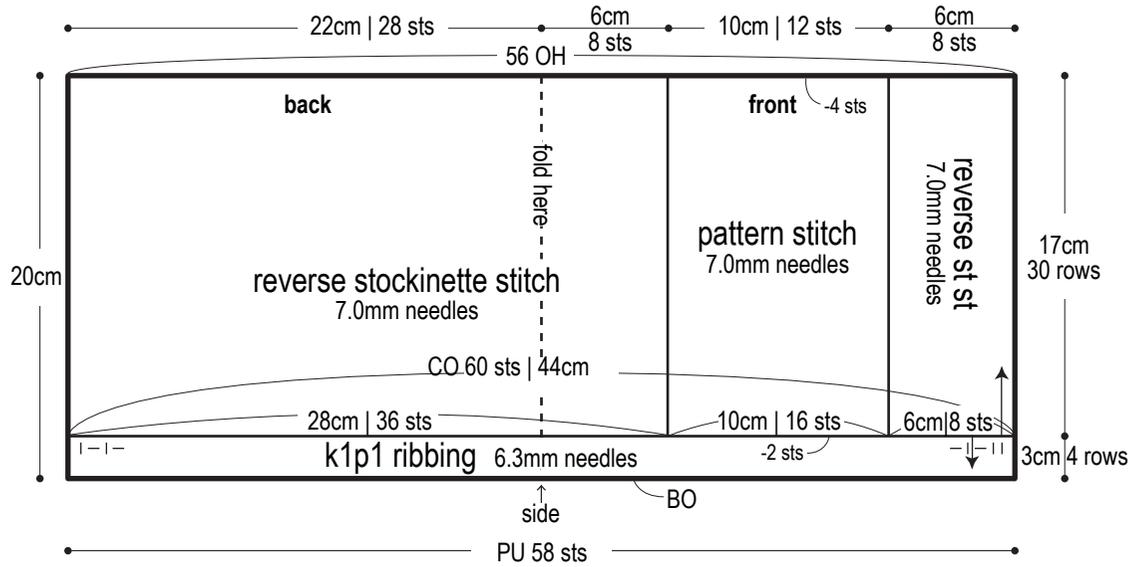

Cap: Cast on with crochet provisional cast-on method. Work in pattern stitch and reverse stockinette stitch according to schematic. When finished, place all stitches on stitch holder; do not bind off. Remove provisional cast-on edge, picking up the live stitches as you go. Work edging in k1p1 ribbing. Bind off ribbing in pattern. Fold in half where indicated at side of hat, then graft live stitches at top of hat together using Kitchener stitch. Seam remaining side together with mattress stitch.

Finishing: Make 2 pom-poms. Fasten pom-poms and buttons to hat where indicated on finishing schematic.
