## Summary

**Body (both items):** Work magic ring to begin, then work in the round according to chart, increasing and decreasing as indicated. Before you finish, insert stuffing. After working last round, cut yarn and thread the tail through all remaining stitches. Cinch top shut and weave in yarn tail.

**Santa beard:** Work foundation chain to begin (note: ch sts needed for turning post are not included in the stitch count), then work sc in joined rounds, decreasing as indicated.

**Tree star:** Work magic ring to begin, then work according to chart. Make 2 identical pieces. Place the two pieces together with wrong sides facing each other & seam around outer edges using whipstitch.

**Finishing (both items):** For Santa, place beard on top of body where indicated in finishing schematic & secure in place at top and bottom of beard using whipstitch. Make a pompom and attach to top of Santa's hat. Embroider eyes and nose on Santa's face. For Christmas tree, seam star to top of tree.
