Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

Head: Work foundation chain to begin, then work in sc in the round, increasing and decreasing as indicated in chart.

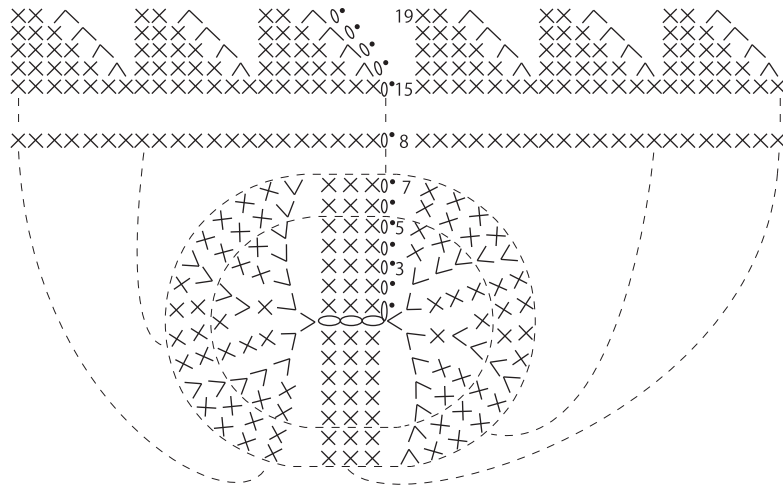

Body, arms, legs, ears & tail: Work magic ring to begin, then work in sc in the round, increasing and decreasing as indicated in chart.

Finishing: Insert stuffing into each body part. Seam parts together using whipstitch (see finishing schematic). Fasten safety eyes to head. Embroider nose and mouth. Make a bow out of felt and fasten to the base of one ear as shown in finishing schematic.
