✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

**Top & sides:** Work magic ring to begin, then work pattern stitch A in the round, increasing as indicated.

**Brim:** Continuing from sides, work pattern stitch B in the round, increasing as indicated. Work edging back and forth in joined rounds.

**Finishing:** Cut the center of each loop worked in the loop st in the brim edging to finish the fringe. Trim fringe ends as desired.

⊗ = loop sc  
(Loop yarn over finger or 3cm-wide cardboard (as shown below) to form loops approx. 3cm long.)

• = slip stitch  
(In this particular pattern, work slip st into the st two rounds below with yarn in back (similar to a back post st).)
