Repeat rows 15-26 three more times, until piece measures 62 rows or 21cm/8.25in (incl. ribbing).

Maintaining stitch pattern of center panel between markers, begin shaping armholes as follows:

Rows 63-64: BO 6 st at beg of row. Knit even to end of row. (70 rem after row 64)

Maintaining stitch pattern, decr 1 st at each end of every row 6 times. (58 st rem)

Decr 1 st at each end of every other row 2 times. (54 st rem)

Maintaining stitch pattern, knit even until pattern measures 109 rows (37cm/14.5in). Begin shaping neck as follows:

Row 110: knit even for 13 st, sl next 28 st to stitch holder. Join second ball of yarn and knit next 13 st even.

Decr 1 st on each side of neck opening on every row 2 times. (11 st rem on each side of neck)
Knit one row even. Place remaining st on stitch holders.

Front

Work same as for back until (and including) row 74. Armhole shaping is now finished. Work neck shaping as follows:

Row 75 (RS): Knit 23 st even, sl 8 center st onto stitch holder, join a second ball of yarn and knit remaining 23 st even.

Maintaining stitch pattern and continuing to knit each side of the neck with its own ball of yarn, knit even until pattern measures 109 rows (37cm/14.5in).

Row 110: knit even for 13 st, sl next 20 st to stitch holder (10 st from each side of neck). Knit next 13 st even.

Decr 1 st on each side of neck opening on every row 2 times. (11 st rem on each side of neck)
Knit one row even. Place remaining st on stitch holders.

Finishing

Weave in all ends. Block front and back pieces. Use three-needle bind-off to seam back and front shoulders. Sew side seams using mattress stitch.

Armholes

Using double-pointed needles in smaller size, pick up 88 st around armhole opening. Work in k2p2 ribbing for 7 rows. For eighth row, knit in k1p1 ribbing across. Collar measures 3cm (1.2").
Bind off all st loosely. Repeat for second armhole.

Collar

With right side facing, pick up 64 st along collar with smaller needles (15 st from right front, 34 st from back, 15 st from left front). Note: do not pick up stitches from the front part that will become the V-neck. Pick up only stitches in the area marked 1 on the diagram below. k3 *p2, k2*, rep from * across to last 5 st, p2, k3. Repeat for 22 more rows. For 24th row, knit in k1p1 ribbing across. Collar measures 9cm (3.5"). Bind off all st loosely.

Front of V-neck: Pick up 52 st along right front—area #2 in the diagram below. (29 st from right front V neck area, 23 st from collar ribbing edge). k3 *p2, k2*, rep from * across to last 5 st, p2, k3. Repeat this pattern 8 more times. For 10th row, change to k1p1 ribbing. Bind off loosely. Repeat for left front, picking up st from area #3 in the diagram. Using kitchener stitch, seam 8 st on front V-neck stitch holder to the end of the left front V-neck ribbing. Sew end of right front V-neck ribbing to the back of the right front V-neck ribbing (on the wrong side).
