Knitting Tips

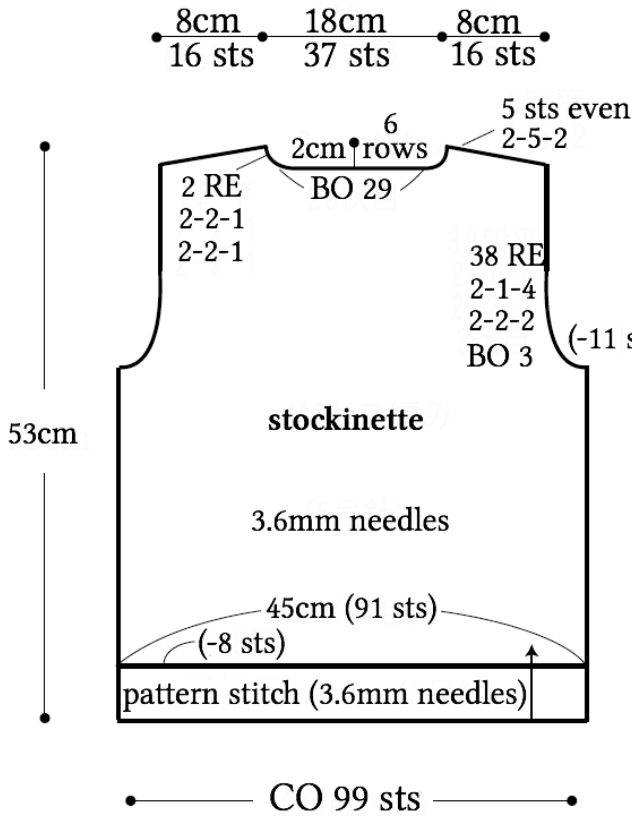

◆**Note:** entire garment is worked with two strands of yarn held together.

Body and armholes: Cast on with long-tail cast-on and knit in pattern stitch. In first row of stockinette, decrease evenly across. For front piece, knit 40 rows of stockinette, then place the center 11 stitches on hold. Continue working right and left sides of front separately. Knit sleeves in same pattern as body. Armholes, neckline, sleeve caps: bind off required number of stitches, then work decreases as required. Work twisted increases (i.e., make 1) along sleeve edges.

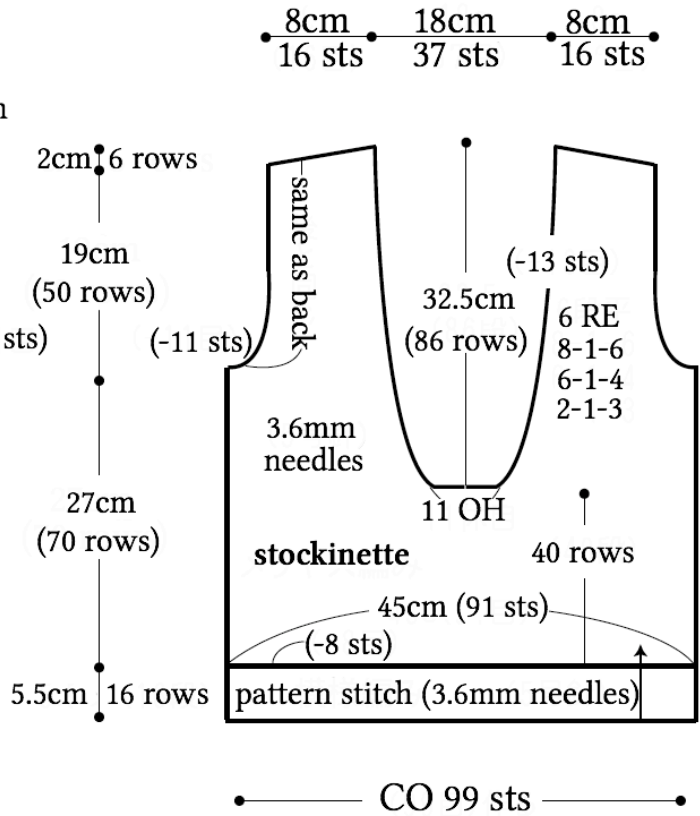

Finishing: Join shoulders with three-needle bind-off. Pick up required number of stitches around neckline and work collar in pattern stitch. When finished, bind off from wrong side in pattern. Join sides and sleeve undersides with mattress stitch. Join sleeves to body with slip stitch.

Abbreviations: CO = cast on; BO = bind off; OH = on hold; RE = row(s) even.
