**Back:** Cast on using crochet provisional cast on method. Knit in garter stitch and pattern stitch A. Pick up stitches for yoke from bound-off stitches and shaped neckline edges. Shape shoulders with short rows and place remaining live stitches on stitch holder.

**Front:** Knit as for back, but note that back begins in a different place in the pattern stitch A chart.

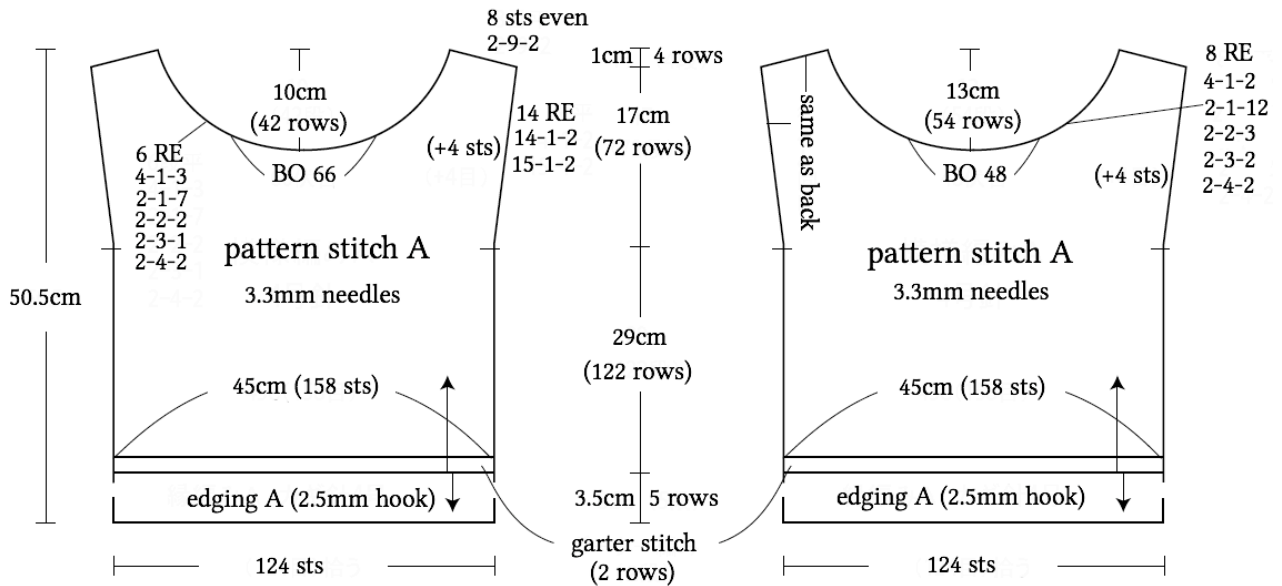

**Finishing:** Join shoulders with three-needle bind-off. Seam sides with mattress stitch. Pick up stitches around front and back neckline and knit the yoke in the round. From the yoke, continue on to collar using edging B. Work garter stitch and edging B around armholes.

**Abbreviations:** BO = bind off; RE = row(s) even; PU = pick up
