Knitting Tips

Body: Cast on with long-tail cast-on method and begin knitting k1p1 ribbing and pattern stitch according to schematics. (When working pattern stitch, increase 3 stitches for child size and 5 stitches for adult size.) Note that pattern stitch differs for front and back. For front, continue working collar from body.

Sleeves: Knit following the same general set-up as for the body. Make 2 sleeves.

Finishing: Seam raglan edges with mattress stitch. Pick up stitches for back collar from back of body and sleeves, knit in garter stitch, and bind off in pattern. Seam back collar to front collar, with stitches-to-rows graft. Join sides and sleeve undersides with mattress stitch.

Abbreviations: BO = bind off; CO = cast on; inc = increase; OH = on hold; RE = row(s) even; SN = split for neckline (front only); US = underarm seam (this is where raglan seam meets side seam)
