Crochet Tips

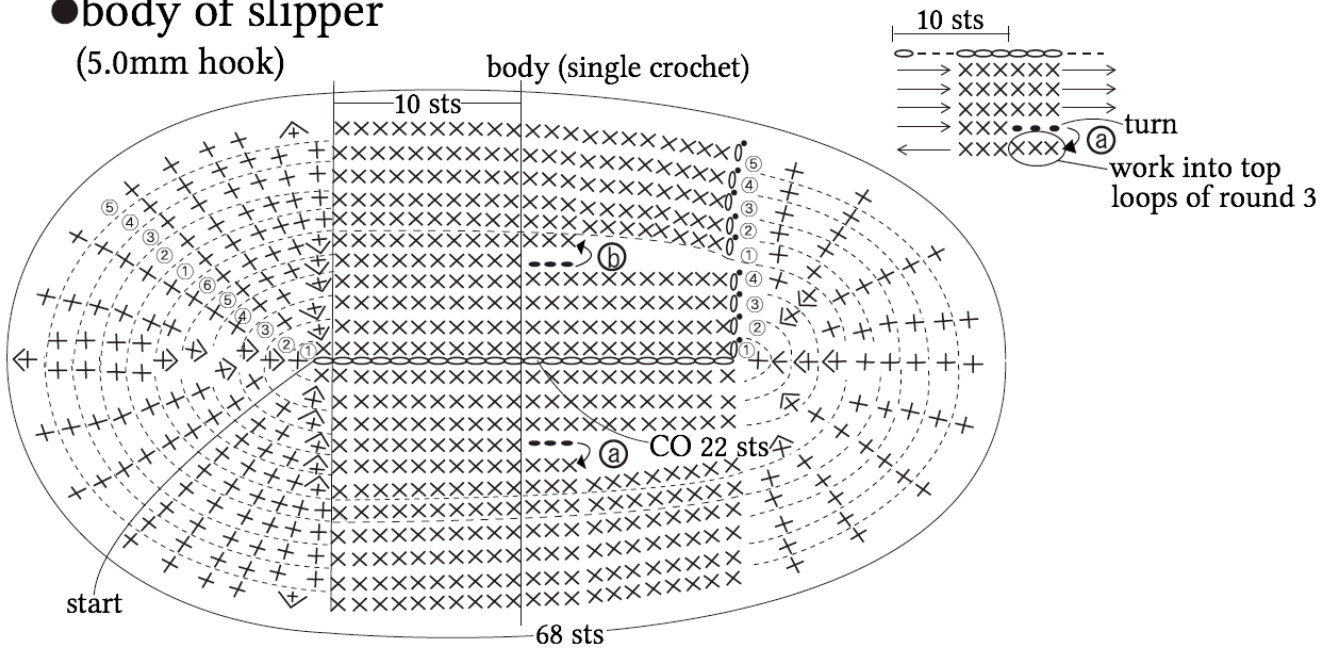

Body of slipper: Chain 22 to cast on, ch1 for turning post, increase, and crochet through round 3. On round 4, turn at ㊤ and 3 slip stitches, turn and work single crochet until 10 stitches from tip of toe, turn at ㊤ and continue crocheting. Refer to schematics and continue working in the round.

Motif: Crochet motif portion, referring to schematics.

Finishing: Seam body of slipper and motif with 32 twisted single crochet stitches (see below). Work one round of single crochet (US) at foot opening followed by one round of crab stitch.

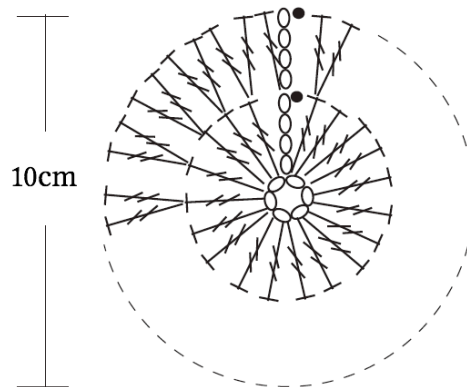

Twisted single crochet: Start as for a normal single crochet stitch by inserting hook into stitch below and pulling up a loop. Then turn hook counterclockwise 1 full revolution. YO and pull yarn through both loops on hook. (The finished look should be similar to crab stitch, but the stitch is worked right-to-left.)
