Crochet Tips

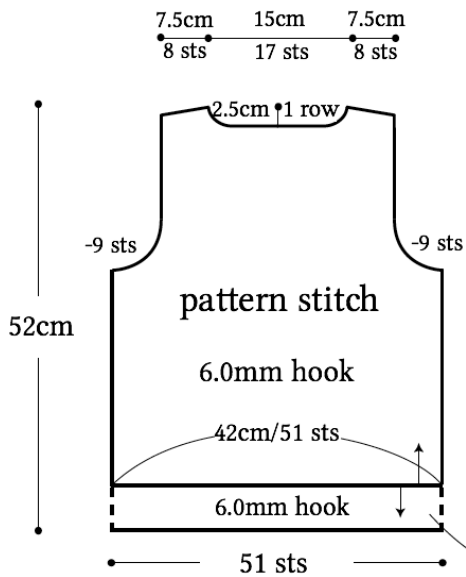

Body of vest: Chain to cast on and begin crocheting in pattern stitch according to schematics. Use scrap yarn to mark tip of front neckline.

Vest finishing: Join shoulders and sides with slip/chain seam (see page 3). Work 5 rows of rice stitch edging at front and back hem. Work 1 row of rice stitch at armholes and neckline. Work 3 rows of edging for front plackets, working buttonholes into right front. (In general, try crocheting base of double crochet stitches loosely.)

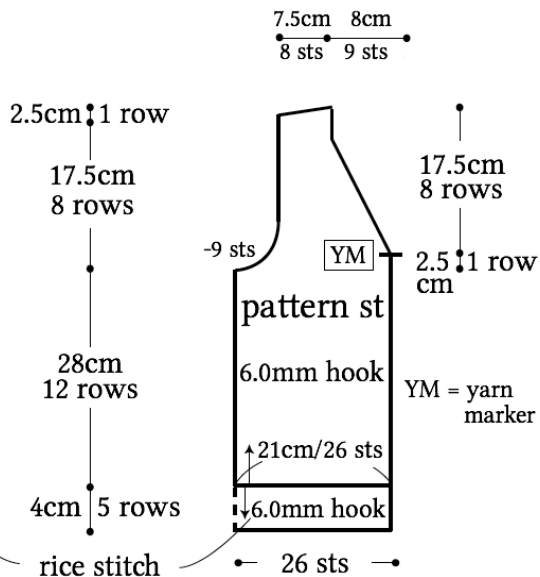

Beret: Chain to cast on and join into ring. Working into both top loop and bottom loop of chain, begin crocheting in pattern stitch. Thread yarn through 5 stitches of last round and cinch shut tightly. Work edging, increasing evenly across first round.
