## Knitting Tips

**Version A:** Cast on with long-tail cast-on method and begin knitting from the cuff down. Work in k2p2 ribbing, then continue in stockinette stitch. After finishing tip of toes, graft toe stitch with Kitchener stitch.

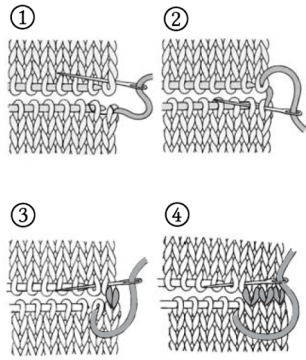

**Version B:** Cast on as for version A. Work in k1p1 ribbing, then continue in stockinette stitch. After finishing, graft with Kitchener stitch.

※ Change needle size as indicated in schematic. Refer to schematic for heel instructions.

**Abbreviations:** CO = cast on; N = needles; OH = on hold (on stitch holder or waste yarn); PU = pick up; RE = row(s) even

● **Kitchener stitch**

※ See note.

※ **Note:** Align fabric, seam by forming 1 row of stitches such that old stitches align.

※ Sole measurement matches size of foot, but to account for stretching, sock is slightly shorter.

※ Sock is easily knit on either 23cm/9" mini circular needles or 4 short double-pointed needles. If using 4 DPNs, divide stitches evenly on 3 needles when casting on and knit in the round.
