Knitting Tips

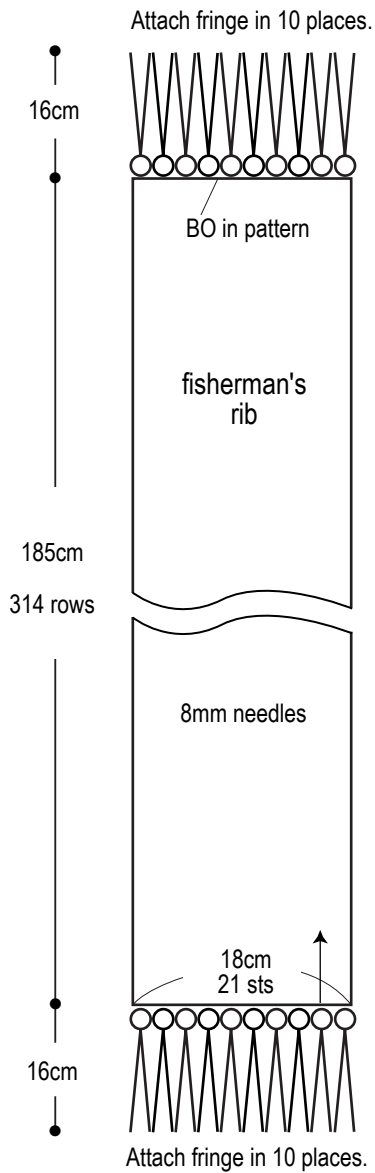

Cast on with long-tail cast-on and work in fisherman's rib. Always slip the first stitch of every row. Work row 2 in k1p1 ribbing, but k2 at each edge rather than k1. Starting from row 3, k1b for knit stitches *only* (that is, not for purl stitches). K1b for knit stitches on row 4 as well. When finished, bind off tightly in pattern. Fasten fringe to each end in 10 places each.

※The entire scarf is worked with 6 strands of yarn held together (2 strands of each color of Cutie Mohair).

Abbreviations:

BO = bind off

k1b = knit 1 into stitch below the one on the left needle
