Knitting Tips

Body & sleeves: Cast on with 1x1 tubular cast-on method and work 2 rows in double knitting in pattern stitch, referring to chart. Shape armholes and back neckline by binding off stitches as indicated and by working fully fashioned decreases (one stitch in from the edge). Shape front neckline by placing stitches on stitch holder, then working fully fashioned decreases (one stitch in from the edge). Begin sleeves as for body. Shape sides of sleeve (seam edge) by increasing with backwards loop cast-on. Shape sleeve cap by binding off stitches and working decreases at the edges.

Finishing: Seam shoulders with three-needle bind-off. Seam sides with mattress stitch. Pick up stitches around front and back neckline and work collar in the round. For front center only, continue pattern stitch from body; work right and left sides in twisted k1p1 ribbing. Bind off with 1x1 tubular bind-off. Seam sleeve undersides with mattress stitch. Seam sleeves to body with slip stitch seam.

※Entire garment worked with 2 strands of yarn held together.
