Knitting Tips

Body & sleeves: Cast on with long-tail cast-on method and work in pattern stitch. Shape armholes and neckline by binding off stitches as indicated and by working fully fashioned decreases (1 stitch in from the edge). Work sleeves as for body, but shape sleeve seam edges by using lifted increases; bind off stitches at sleeve cap.

Finishing: Seam shoulders with slip stitch seam. Seam sides and sleeve undersides with mattress stitch. Working into live stitches, crochet edging along hem and cuffs, decreasing while doing so. Pick up stitches along neckline and work garter stitch in the round, then work crocheted edging, decreasing while edging is worked.
