Knitting Tips

Slippers: Cast on with long-tail cast-on method. Work in garter stitch. Work decreases at tip of toe. Leaving toe stitches live (i.e., do not bind them off), cut yarn, leaving 80cm/31.50" tail. Pick up stitches from cast-on edge. Work instep section in garter stitch. Increase as shown on chart. When finished, leave stitches live (i.e., do not bind them off). Using yarn tail, thread yarn through live stitches at toe, then with right sides facing, seam instep with slip stitch. Fold instep section inside-out (i.e., with wrong sides facing each other). Using yarn tail from bind-off, whipstitch together, working into odd rows only and sewing into stitch one in from the edge. Crochet bear or rabbit motif (see below) and fasten to slipper.

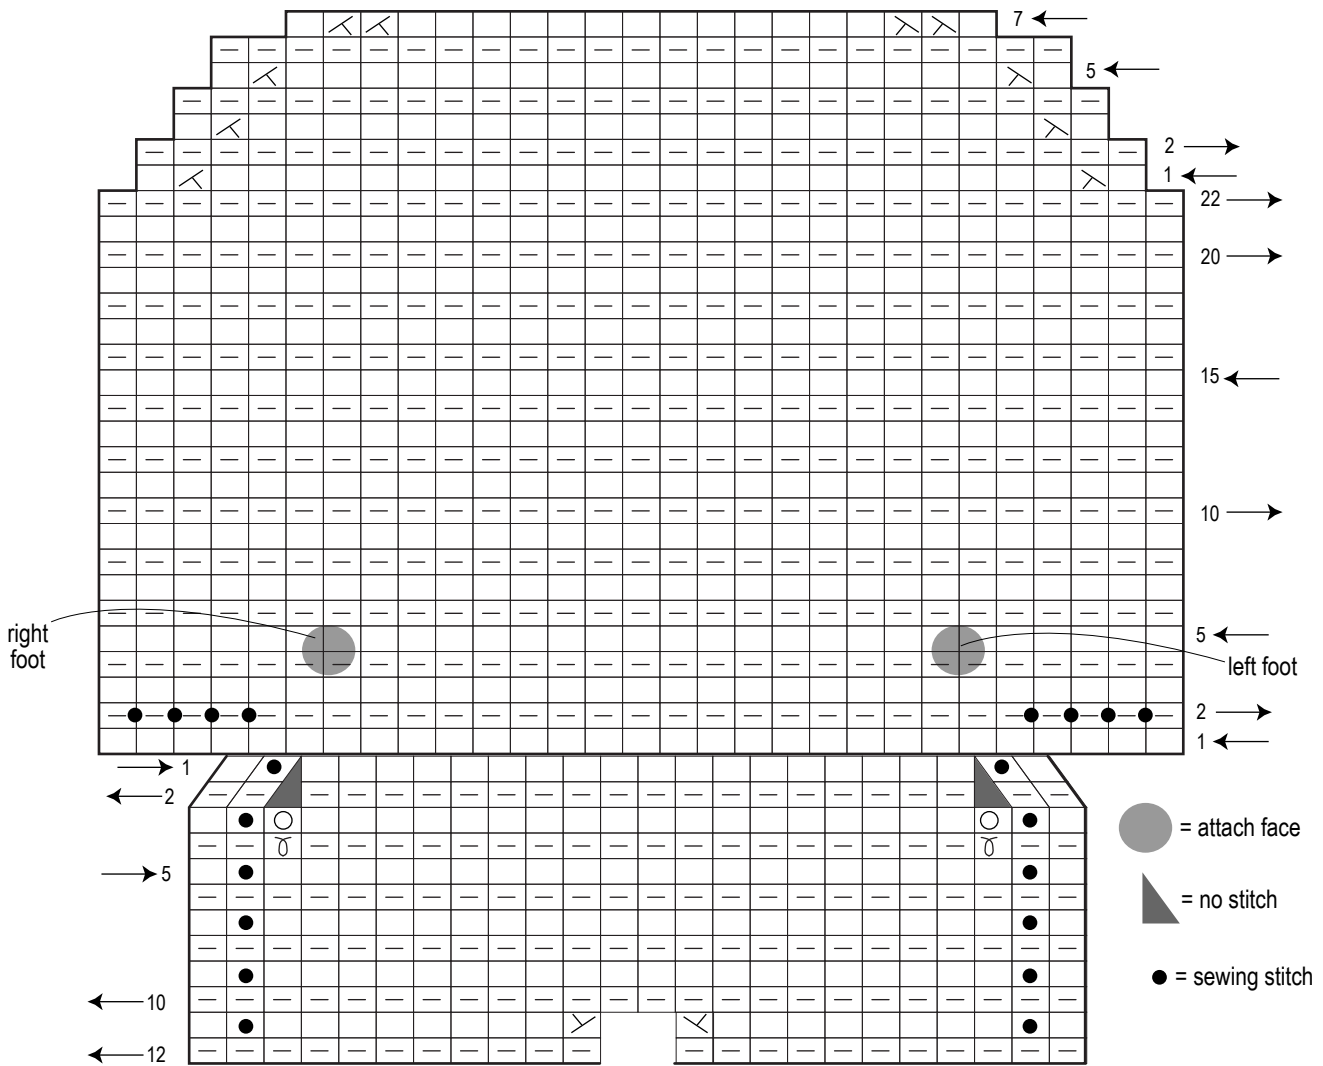

Decorative bear and rabbit motifs: Create magic ring, ch1 for turning post, and work 8 single crochet (US) stitches into magic ring. Work through round 6 according to chart. Insert stuffing. On round 7, slip stitch all remaining stitches together. Join yarn and crochet either rabbit or bear ears onto face piece. Bind off ears by working slip stitch into face piece.
