Crochet Tips

Sole: Chain to begin. Inserting hook into front loop of chain only, work single crochet (US) around polypropylene rope (so that rope forms a core inside the stitches). For the curve at ends of round 1, work the stitches around the rope only (*not* into the foundation chains). When finished, cut rope on the diagonal so that it will lay flat against the end of the round. Chain to finish round. Take ends of rope to bottom of sole, fold towards center, and sew ends in place.

Instep piece: Chain to begin. Referring to chart, work in pattern stitch. Thread decorative cord through double crochet (US) stitches on first row.

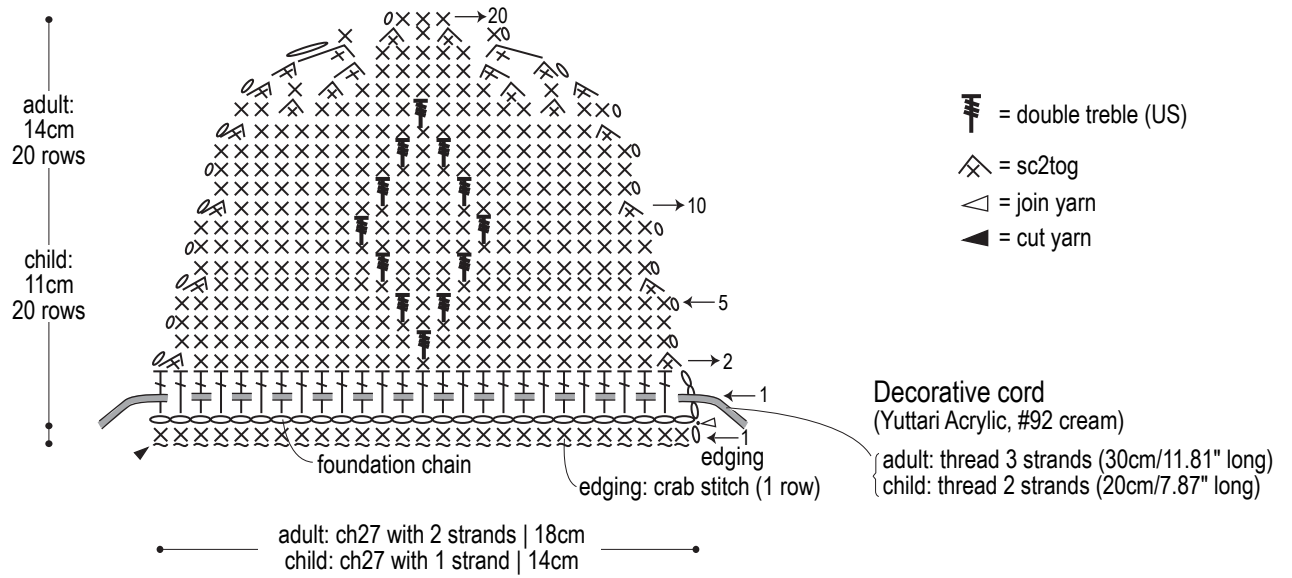

- For adult sizes, use 5.0mm hook (US H) and 2 strands of yarn held together.
 - ladies' size: Zakka Wool, color #8 red crimson
 - men's size: Zakka Wool, color #10 loam brown
- For children's size, use 4.0mm hook (US E) and a single strand of yarn.
 - children's size: Zakka Wool, color #3 dark apricot

Finishing: Place instep piece on toe end of sole. Seam together at the side with whipstitch. Thread ends of decorative cord through sole piece and secure.
