Crochet Tips

※Entire item worked with 3 strands of yarn held together.

Body: Create magic ring; crochet according to schematics. Work face & body in one continuous piece. Make 2 each of the ears, front paws, and rear paws. Leave 20cm yarn tail on each piece for use when seaming. Seam ears and paws to face and body, respectively. Fasten eyes and nose to face. After inserting stuffing, crochet the inner lining (the part where fingers will insert when complete) according to schematic. Insert lining into body, then whipstitch together.
