Knitting Tips

Back body: Loosely ch90 with waste yarn (in contrasting color) and save for later. Cast on 208 sts with long-tail cast-on method; work 132 rows in pattern stitch. Loosely bind off 90 stitches on the right edge of the knitting. On the next row, work 118 sts, and also pick up and knit 90 new sts from the crochet chain (made for this purpose earlier). Work in pattern stitch until last row, then bind off loosely in pattern.

※The line of 90 bound-off stitches will form the neckline.

Finishing: Seam right side and left shoulder with mattress stitch. Seam left side loosely with crochet slip stitch. Pick up stitches around neckline, cuffs, and hem, respectively, and work edging in k1p1 ribbing in the round for each of them.
