Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.

Crochet Tips

Motifs: Chain 6 to begin, and join into the round. Crochet motif according to chart. Starting from second motif, join motifs together with slip stitch on last round.

Back & front body: Working into stitches along edge of motifs, work sides of body in net stitch B. Working into upper edge of motifs, work body in net stitch A. Seam shoulders with chain seam (alternating chain stitches and slip stitches to maintain pattern). Working stitches into armhole, crochet sleeve. Crochet and seam motifs to cuff where indicated.

Finishing: Seam sides and sleeve undersides in one continuous seam (per side) with chain seam (alternating chain stitches and slip stitches to maintain pattern). Work edging A in the round around hem and cuffs. Work edging B in the round around neckline. For girls' size only, crochet a cord and thread through body, then attach tassels to each end.
