Knitting Tips

JACKET
Back and front body & sleeves: Cast on with long-tail cast-on method, then work in seed stitch and stockinette stitch.

Pockets & button loops: Cast on for pocket with long-tail cast-on method. Work in seed stitch. Crochet 4 button loops according to schematic.

Finishing: Seam shoulders with crochet slip stitch seam. Seam sleeves to body with crochet slip stitch seam, but where indicated, seam with mattress stitch instead. Seam sides and sleeve undersides in one continuous mattress stitch seam (per side). Pick up stitch around neckline and along front edges; work collar and button band in seed stitch. Work sc edging around hem, front bands, and collar in one continuous round. Also work sc edging in the round around cuff edge of sleeves. Sew pockets, button loops, and buttons to jacket where indicated.

PANTS
Cast on with long-tail cast-on method, then work in seed stitch according to schematic. [※Note: reverse shaping of left side to work right side.] Seam inseam with mattress stitch, then change to circular needles and work waistband in stockinette stitch in the round. At both right and left cuff edges, work hem edging in k1p1 ribbing in the round.

Finishing: Fold waistband to inside at fold line, securing elastic inside waistband and sewing BO edge to inside.

HAT
Cast on with long-tail cast-on method, then work seed stitch and stockinette stitch in the round. From round 25 of stockinette section onward, work decreases evenly spaced around hat (in 12 locations). Work 1 round of sc edging around hem. Knit earflaps and crochet ties, then sew them to hat where indicated.
