Crochet Tips

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Body & sleeves: Work foundation chain to begin. Work in pattern stitch. Work front in the same manner as the back, but work the area where the pocket will be attached in sc.

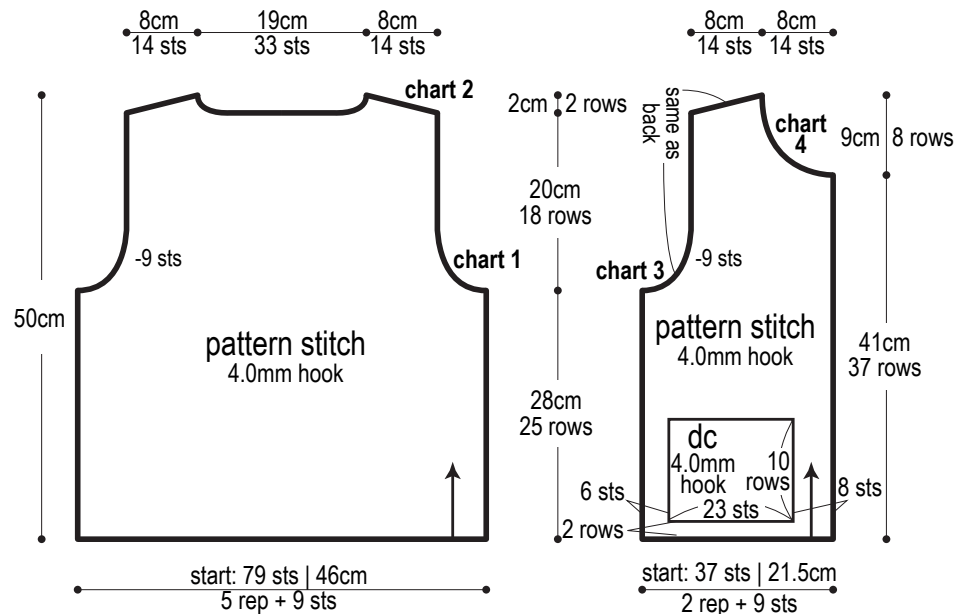

Pockets: Work foundation chain to begin. Work in pattern stitch. Change yarn color, then work pocket edging in sc.

Finishing: Seam shoulders with chain seam (alternating ch st and slip st as needed to maintain pattern). Seam sides and sleeve undersides with chain seam. Work 3 rows of edging along front placket and neckline, with each row moving in the same direction (you will need to rejoin the yarn for each row). Work sc edging at cuffs in the round. Seam pockets to areas indicated on front body (right and left, respectively). Fasten hook & eye closure to corners of placket edging.

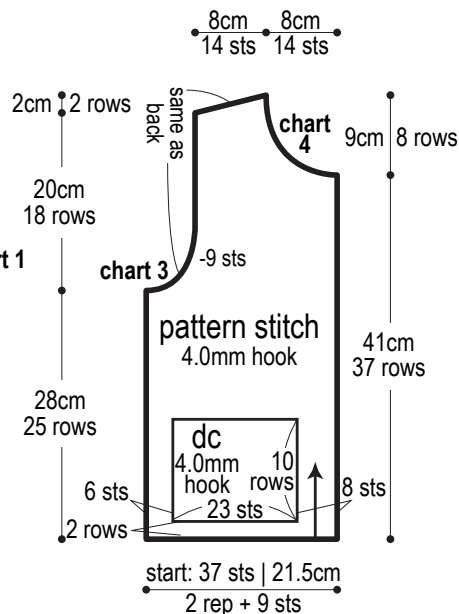

Abbreviations:

ch = chain dc = double crochet (US) hdc = half double crochet (US) sc = single crochet (US)
