## Knitting Tips

Cast on with long-tail cast-on method. Work in the round from the cuff down. Work k1p1 ribbing, then change needle size and continue in pattern stitch A. For ladies' size only, change needle size once again to alter gauge. Decrease and continue in stockinette stitch. Referring to chart, knit heel in stockinette stitch. Work instep and sole in pattern stitch B, then continue in stockinette stitch for toe section. When finished, graft toe with Kitchener stitch.
