## Summary

✧**Note:** entire hat worked with 2 strands of yarn held together.

**Body of hat:** Cast on with long-tail cast-on method and join into the round. Work k1p1 ribbing in the round, then continue in pattern stitch. Work evenly spaced decreases to shape top of hat. After last round, cut yarn and thread tail through all remaining stitches; cinch top of hat shut.

**Belt piece:** Cast on with long-tail cast-on method. Work in k1p1 ribbing.

**Finishing:** Seam belt piece to wrong side of hat using whipstitch. Fasten button to outside of belt, sewing it through both belt and hat fabric.
