Summary

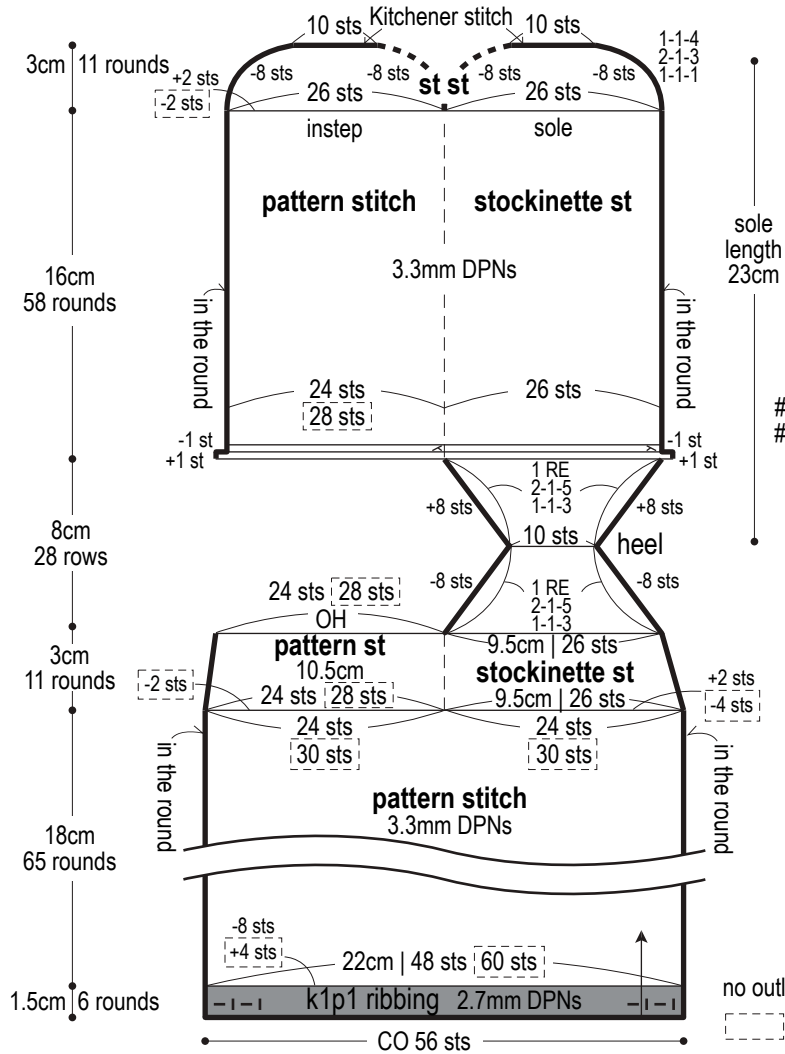

Cast on with long-tail cast-on method and join into the round. Work k1p1 ribbing in the round from the cuff down, holding 1 strand of Friends together with elastic reinforcement thread. Continue without reinforcement thread, working 11 rounds with instep stitches in pattern stitch and sole stitches in stockinette stitch. Place instep stitches on stitch holder while you turn the heel. Referring to chart, turn heel, working back and work in rows. After heel is complete, continue working in the round, with sole in stockinette stitch and instep in pattern stitch. Shape toe by working decreases according to chart. Seam final toe stitches with Kitchener stitch. Make another sock to match the first.
