Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Pattern stitch A: Crochet 2 each of part A (ch251; pattern stitch for 3 rows) and part B (ch241; pattern stitch for 3 rows). Referring to schematics, work pseudo broomstick lace pattern by slipping elongated sc loops through other loops as shown.

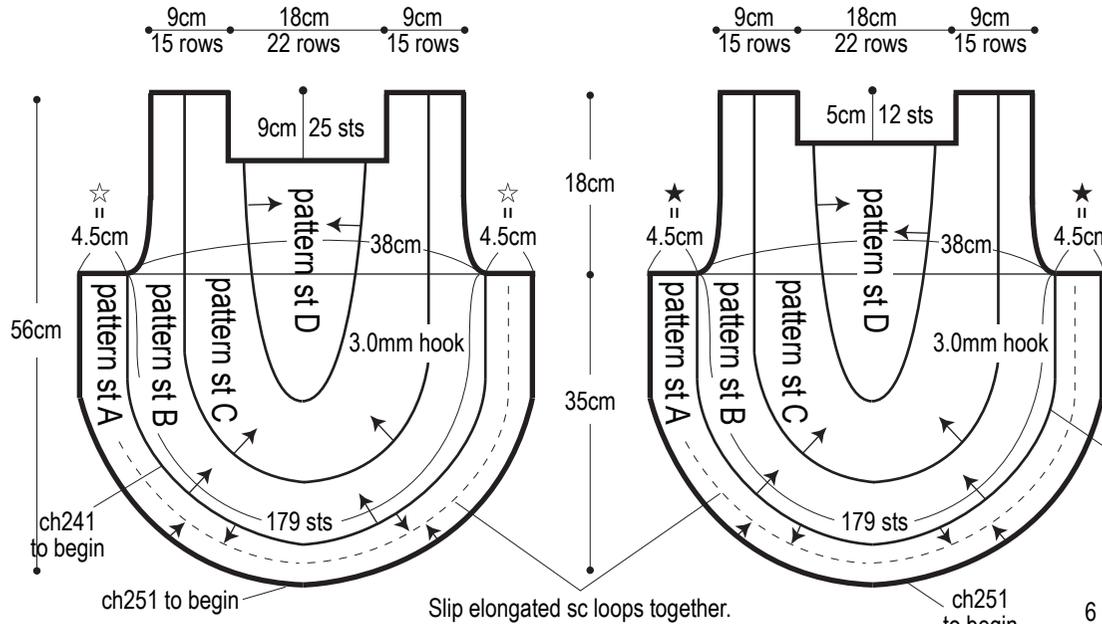

Finishing: Working into stitches of pattern stitch A section, work in pattern stitches B, C, and D. Work edging along hem and side. Seam shoulders with chain seam (alternating ch st and slip st as needed to maintain pattern). Work edging around neckline. Overlap back & front sides as shown in finishing schematic, then seam in place by working edging at armholes. Adjust finished bust size by altering amount of overlap at sides.

Abbreviations:

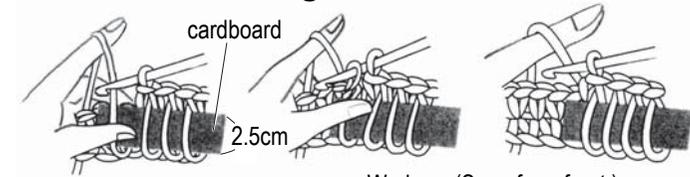

ch = chain dtr = double treble (US) pm = place marker sc = single crochet (US)
