Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Cups (make 2): Work foundation chain to begin, then crochet in dc and pattern stitch according to chart. Make 2 of the same, but for the second cup, join to first cup in indicated section of last row of pattern stitch A.

Band: ch16 and retain this chain in reserve for later use. With another strand of yarn, ch16 again, then work pattern stitch B along this chain and bottoms of cups. When you reach the end of the second cup, continue working pattern stitch C into the 16-stitch chain waiting in reserve. For remaining rows, work across all stitches in pattern stitch B.

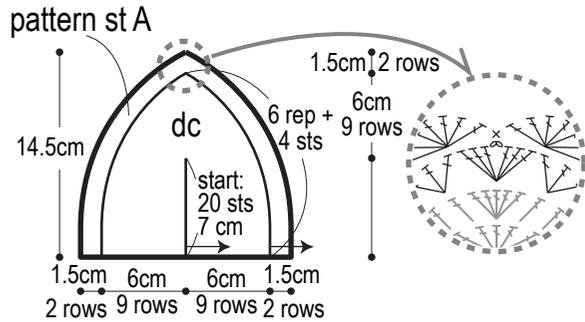

Finishing: Working into sides of band, work decreases while working pattern stitch C. Work shoulder straps in pattern stitch C where indicated.
