Summary

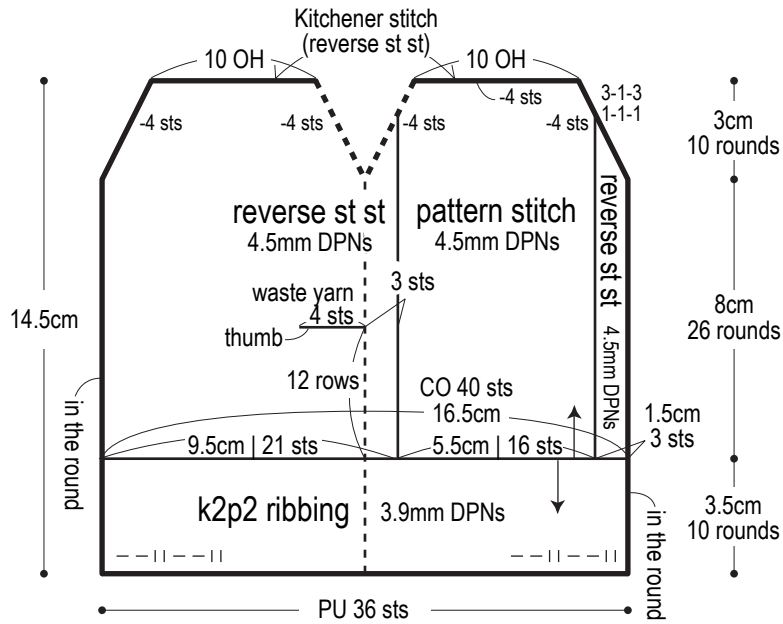

Right mitten: Cast on with crochet provisional cast-on method. Work in pattern stitch and reverse stockinette stitch in the round. On palm side of mitten, work thumb stitches on waste yarn. Seam fingertip area by grafting live stitches together with Kitchener stitch (reverse st st style). Remove provisional cast-on edge, picking up live stitches as you go. Work k2p2 ribbing in the round. Bind off ribbing in pattern. Remove waste yarn from thumb stitches; pick up live thumb stitches and work thumb in st st the round. On last round of thumb, thread yarn through all remaining stitches and cinch shut. Fasten buttons to eye area of owls as indicated in finishing schematic.
