Summary

Body: Cast on with crochet provisional cast-on method, then work in stockinette stitch. Shape raglan edges and neckline, respectively, by binding off stitches as indicated and by working fully fashioned decreases 1 stitch in from edge.

Sleeve (make 2): Cast on with long-tail cast-on method, then work in k1p1 ribbing. Continue in stockinette stitch. Shape raglan edges by working fully fashioned decreases 2 stitches in from edge.

Finishing: Remove provisional cast-on edge at hem, picking up live stitches as you go. Work edging in k1p1 ribbing, then bind off in pattern. Seam raglan edges with mattress stitch, but use Kitchener stitch to graft underarm gusset. Seam sides and sleeve undersides with one continuous mattress stitch seam per side. Pick up stitches around neckline; work collar edging in k1p1 ribbing in the round, then bind off in pattern.
