Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Back: Work foundation chain to begin. Work in striped dc.

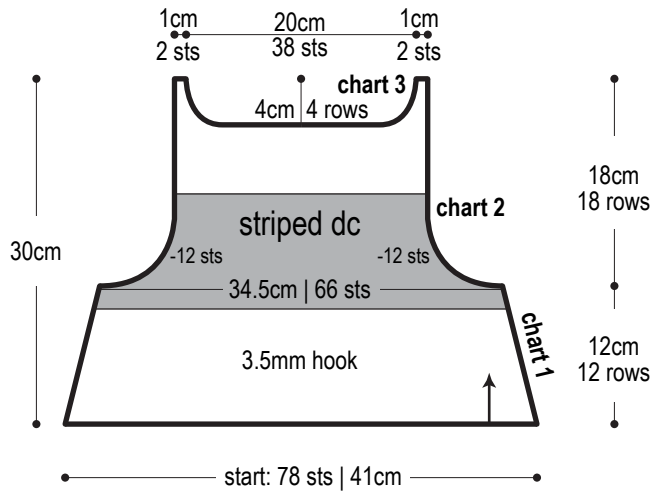

Front: For right front, work 23-stitch foundation chain to begin, then cut yarn. Join yarn again where indicated on chart. Work in striped dc according to schematic and chart. For left front, work foundation chain and striped dc according to schematic.

Finishing: Seam shoulders with chain seam (alternating ch st and slip st as needed to maintain pattern). Seam sides with chain seam. With knitting needles, pick up stitches around front edges and hem; work k1p1 ribbing. Pick up stitches around neckline (including ends of ribbing just worked at right and left front). Work k1p1 ribbing for collar, including a 3-stitch buttonhole on the left side only. Pick up stitches around each armhole; working k1p1 ribbing in the round. Bind off in pattern.
