Summary

*Note: Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

Cowl: Work foundation chain to begin, then work Tunisian crochet in pattern stitch. Bind off with slip stitch bindoff method.

Finishing: With right sides facing you, seam foundation chain to bind-off edge using whipstitch. Work edging around each edge in the round.

Abbreviations:

ch = chain dc = double crochet (US) RS = right side
