Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

Soles: Work foundation chain to begin, then work in striped sc, increasing and decreasing as shown in chart. Refer to color key. Work 1 round of sc around outer edge of each piece. Make 2 upper and 2 lower pieces (for 1 pair of sandals).

Instep straps: Work foundation chain to begin, then work in sc according to chart.

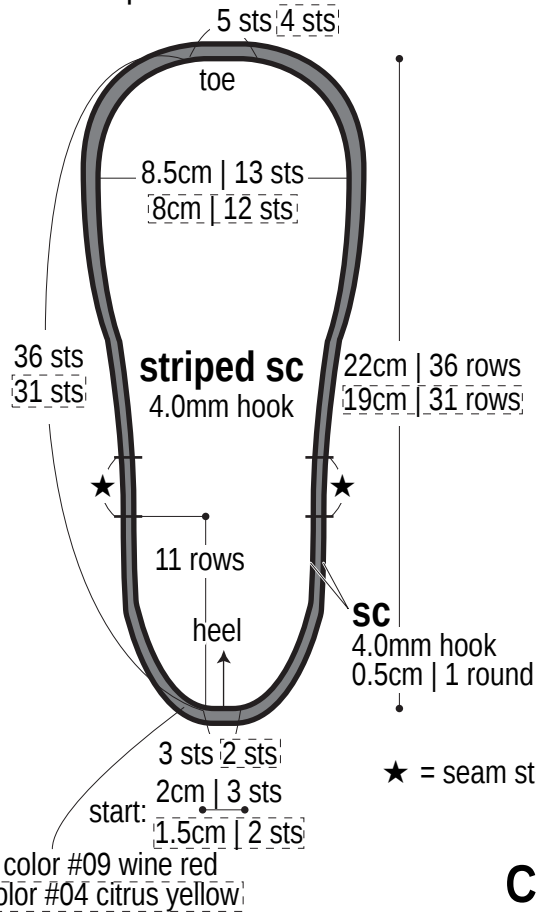

Finishing: Braid 2 cords. Fasten 1 instep strap and 1 cord to top piece of each sandal. Place top and bottom pieces of sandal together with wrong sides facing each other; seam together by working whipstitch around outer edge through both layers.
